Senior Softball Players –

We're ready to start the registration process for our 26<sup>th</sup> year of Olde Tymers Softball (OTS) and hope you plan to be part of our 2023 season. We welcome recreational players, both men and women, who will be 60 years of age or over as of December 31, 2023. Skills in fielding, hitting, throwing and running are evaluated to ensure players are capable of protecting themselves while playing and have the minimum skills to participate.

Games take place at the Dagsboro Church of God fields located on Route 113 in Dagsboro, and are played during the summer on Tuesday and Thursday mornings. In the past, the second and last Wednesdays of each month have been used as make-up game days. If necessary, other Wednesdays may be used for make-up games or end-of-season tournament games. **Please note that games are played all summer and that games are very rarely postponed due to high heat and humidity.**

**COMMITMENT TO PARTICIPATE:** *To help maintain team rosters throughout the season, you must commit to playing in over 2/3 of the regular season games from May through the end of the Summer Season. For a 26-game season, that works out to committing to play 17 of the 26 games. Players that can't commit to playing 2/3 of the games are invited to register as a substitute player.*

**REGISTRATION PROCESS:** A player draft is held each year. Team sizes and number of players are limited, and there is a high probability that not everyone will get on a team. All returning OTS players will be given top priority for the draft as long as their registration form with payment is received by January 31, 2023. Any returning players registering after the deadline and all new players will be placed on the player list in the order their registration form and payment is received. Those players below the cutoff for the draft will be placed on the waiting list. Once the season begins, players on the waiting list are available for use as substitutes for players who might miss a game or two, and as replacements for players who expect to be out for an extended period of time. **Note to returning players: Getting your registration in by January 31, 2023 does not guarantee you a spot in the draft. The last several years we have started the spring with more returning players than available slots in the draft. The earlier you get your registration form in, the better the chance that you will be in the draft.**

The registration fee for the 2023 season remains at \$100.00 per player. For returning OTS players, there is a \$25.00 early sign-up discount. New players that haven't registered for a previous summer season are required to pay the full \$100.00 fee. The fee schedule is:

- All players new to an OTS summer season - \$100.
- Returning players, payment received by 1/31/23 - \$75.
- All players whose payment is received after 1/31/23 - \$100.

The registration fee is refundable if you notify the Secretary of your withdrawal prior to April 1, 2023. In the case that the league is unable to place you on a team during the draft and you do not wish to be placed on the waiting list, a

refund can be requested prior to May 1, 2023. **No other refunds will be made, even if the season is shortened or canceled due to whatever reasons.**

Please review the registration form for payment and mailing instructions. Be sure to note the dates you will be unavailable to play in the area provided. If you won't be in the area before the first games on May 2, please note the date you will be back in the area and available to play. Players that won't be available to start playing until after May 15, 2023 will be placed on the waiting list once they are available.

Check the appropriate boxes to indicate your interest in playing in tournaments, being trained and serving as an umpire, being a manager/assistant manager, being part of the field maintenance crew, being trained in CPR/AED, or optionally declaring a medical condition. If you are currently a tournament player or have been a tournament player in the last 5 years, check the appropriate box.

This letter and the 2023 Registration Form and our By-Laws, which include our Code of Conduct, are available in the Documents Section of our website:
