

# 2 Options to Sponsor the OPRF Girls Soccer Teams

## #1: Huskies on Parade

The Kinderhook Tap

Armand's Pizzeria

Here are some talking points about our **Huskies on Parade** fundraiser. Please bring along the forms that are in the Huskies on Parade folder on your team page so that you can give the business something to look at if they need to think about it.

- Huskies are \$350 each, checks payable to **OPRF Girls Soccer**
- Huskies are 3'x4'. Each husky slides into a base and can stand upright.
- Huskies are custom painted to represent the business. *No two huskies are alike.*
- Huskies are painted by the girls soccer teams and some parents.
- The huskies will be on display at our **Soccer Social, April 18th at Molly Malones.**
- Huskies will be dropped off at the local business that sponsored it after the social and will remain with them until our Community Night, which is in May 15th, in which they will be on display at the stadium, weather permitting,
- The business that sponsored the husky will get a "shout out" in the Community Night program and can drop off any promotional materials to be handed out by our parent volunteers at the gate... think FREE ADVERTISING
- After Community Night the huskies will be returned to the business. Each business has the option to return the husky at the end of the season or to hold onto it and display it year round in support of our OPRF Girls Soccer Teams.
- All of the proceeds, after material expenses (which are mostly donated) go to the girls soccer team to buy equipment, gear, training sessions for our coaches and team outings.

## #2: Getting Donations/Gift Cards:

Businesses can donate an item or gift card for our raffle at our Soccer Social. In the past we have had cupcakes from Crumb, husky wear and gift certificates to local restaurants. All donations are welcome! Some examples are: pedicures, manicures, haircuts, framing, yoga classes to name a few.
