

### ***Dear Campers and Parents...***

It is our pleasure to invite you to participate in the 2019 Commando Baseball Camp! Last year's camp had over 100 participants and was a great learning week of fun for everyone involved. We look forward to this year being even better.

Our camp will provide instruction in the fundamentals of the great game of baseball, while stressing the value of hard work, self-discipline and teamwork while playing the game.

Hendersonville High School Baseball is one of the most successful high school programs in the state of Tennessee. Over the past 30 years under the direction of Head Coach Mike Hendrix, HHS Baseball has achieved success at the highest level. The Commandos have been to the state tournament five times, won seven district championships, five region championships, and sent more than 60 players to play college baseball, including having seven players drafted by Major League Baseball. The 2019 Commando Baseball team has five players that have signed college scholarships and they were the District 9AAA Champions. In 2016 former Commando Zac Curtis became the first player from Sumner County to play in an MLB game.

We hope you will join us for a week of camp this summer. Each camp session will be directed by the HHS coaching staff as well as former and current players. Each camp day will consist of sessions stressing all the fundamental skills of baseball, using the same teaching techniques that have proven successful year-in and year-out at Hendersonville High School. Baseball is FUN and our campers will learn how to enjoy playing the greatest game ever invented the right way! We'll see ya' at camp!!
