House Divisional and Tournament Coordinator Applications Now Open

We're looking for interested volunteers who will help coordinate the Bantam & Midget 2016-17 House Divisions, along with a Tournament Coordinator at the Bantam division who will help coordinate our Young American Days Tournaments.

There is no prior experience necessary – we will train you up!

As our thank you, we are offering a \$200 player credit for each position (up to two credits per volunteer).

Those interested in these positions can [view and submit the online application](#) which outlines volunteer responsibilities. Please contact SAYHA Business Manager, Nicole Adams, at sayha.manager@gmail.com with any questions. Thank you in advance for your interest – we look forward to working with our Divisional and Tournament Coordinators this season!

HOCKEY GOES ON
...BECAUSE OF YOU.

Attention 6U & 8U Parents!!

SafeSport Certification is available for FREE through USA Hockey. SAYHA recommends that every parent planning on being in the locker room with your player IS SafeSport Certified.

One of the most exciting aspects of the USA Hockey SafeSport Program is the online training/education that is available to help our members become aware of the information necessary to help prevent abuse from occurring in our sport.

We are pleased to announce that all USA Hockey registered coaches, officials, employees and volunteers are entitled to take the training at no cost. The training was produced by the United States Olympic Committee. The training is comprised of short video segments that take approximately 90 minutes to complete, however, not all training needs to be completed in one session. We believe you will find the training very valuable and informative, and strongly encourage you to access the training.

The SafeSport Training and Refresher Training are each valid for two (2) seasons. Thus, if you took the training during the 2014-15 season, it was valid for the 2014-15 and 2015-16 seasons and you will need to complete the SafeSport Refresher course for this 2016-17 season.

2 The [SafeSport Training](#) and [SafeSport Refresher](#) courses are available all season.
