

REFUND AND LATE REGISTRATION POLICIES

Travel Soccer – Year Round, Spring-only and Fall-only

When you register your child you are committing to the full playing season. Decisions about player placements and staffing rely on player commitment. Refunds will not be granted if you withdraw your child from any of our travel programs within 6 weeks of the season start. The only exceptions to this policy are for medical reasons, injury or relocation, as outlined below.

☐ If you withdraw your child before 6 weeks of season start date BYSA will release your child from the team roster. The registration fee paid to secure your roster spot will not be refunded. You will not be responsible for future payments and any payment installments made following the initial registration fee will be refunded.

☐ No refunds will be issued for withdrawals less than 6 weeks before the season begins. We reserve the right to process future payment commitments for the remainder of the season at the time of withdrawal. ☐ Transfer requests from BYSA to another club will only be granted if all the player's fees and financial obligations have been fulfilled.

Allowable withdrawals and refunds

☐ Exceptions to the above policy will be granted up till the midpoint of the travel season and for only the following reasons:

- Injury or medical issues which prevents a child from participating in the program - Relocation - 30 miles or more from Barrington

☐ In both these cases, the request needs to be in writing and sent by email to r.alssid@barringtonsoccer-ri.org. An injury/medical withdrawal request must be accompanied by a note from the child's treating physician. A move must be documented as well.

☐ If you request withdrawal and a refund your child will be removed from their team roster for the remainder of the season. If your child is injured and you would like them to remain on the roster with the hope that they will be able to play later in the season, we will not issue a refund for the period of time that they are unable to play.

☐ Refunds will be issued as follows:

- Up to ¼ way into program, we will issue 60% of the full program fee less a \$25 admin fee - Up to ½ way into program, we will issue a 40% refund less a \$25 admin fee - The email request date will be used to determine the amount refunded

[In determining how far we are into any travel season, we will count the # of days from the first league game played by any team through the last league game played by any team.]

Note

☐ Try-out fees are only refunded if we do not place your child on a team.

☒ If you request a roster spot for your child after rosters have been determined and we are able to do so, a \$25 admin fee will be added to the regular registration fee.
